

Community Workshop for the New Housing New York Legacy Project

Bronx Community Board 1 is sponsoring the 2nd Community Workshop for the New Housing New York Legacy Project, a new affordable housing project in the Bronxchester Urban Renewal Area of the Bronx. The site is located at the southeast corner of E. 156th Street and Brook Avenue, just northeast of the HUB.

The workshop is open to all, and community members to meet and talk to the five finalist design teams. The architects are eager to hear your thoughts before they start designing. Please join us for this event.
