

Become a Member of the AIA New York Chapter At the Center for Architecture!

The AIA New York Chapter located at the Center for Architecture at 536 LaGuardia Place between Bleecker and West Third Streets in the heart of Greenwich Village, runs galleries, meeting rooms, a lecture hall and a public resource center with a library. The Center provides a space which the architectural and design community animate with a wide range of programs, exhibits, and resources. With close to 4000, members we represent a diverse group engineers, contractors, lawyers, landscape architects, planners, real estate professionals, public agency representatives, and cultural organizations. We invite anyone to join who recognizes the individual and professional benefits of associating with others who design and build in New York and around the world.
