

AIANY Women in Architecture ARCHTOBER Committee Meeting

WINTER / SPRING 2023 EVENTS PLANNING

WE WANT TO HEAR FROM YOU!

Please join us for this special ARCHTOBER Committee Meeting to help us brainstorm more exciting and impactful events for the Winter and Spring 2023 season!

We want to continue developing and bringing relevant programs to encourage more women in leadership roles, with panels, workshops, and design presentations focusing on mentorship, licensure, and networking opportunities. Our goal is to align our programs based on our four WIA pillars: Design & Leadership, Workplace Culture, Professional Practice & Development, and Advocacy & Activism.

Let's come together to promote, elevate, and advance women in our allied industries!
